- This course is design for anyone interested in obtaining an entry level Amateur Radio License (Technician License).
- No previous radio experience is required.
- No more Morse Code requirement.
- Make new friends around the world.

Classes will begin February 16th, 2012 and will continue once a week for 2 hours and will run for 8 weeks. The last week will be the exam for the license. The time of the classes will be 6:00 to 8:00 pm and will be held at the Southeast Education Service Center (old Job Service Building) at 685 East 200 South in Price, UT.

The class is free. The only cost is for the instruction book and the test.
